

Dear Friends,

At Brunswick Arts Council, we believe life long learning through the arts is essential to personal growth and connection - making for a better world. Creating an inclusive, engaging, and supportive arts community is central to everything we do. If you are currently a member or a sponsor, thank you! If you have supported us in other ways this year, we thank you too! Your additional support of the arts is crucial to ensuring that arts are a central piece of the Brunswick County community.

Every dollar counts. The wide-ranging arts programs, grants, and events generate revenues that cover some, but not all, of the annual operating costs. Simply put, your year-end support of the Annual Fund matters a great deal - it will sustain Brunswick Arts Council's programs and financial health throughout the year.

Our outstanding programs enrich the lives of so many Brunswick County community members: - your support can help:

- **Quick Arts Program**— provides funding to individual artists, teachers, and more for material costs and other fees to maintain ongoing arts activities—each year we provide a combined total of \$2,500 in small amounts—but the need is much greater.
- **BAC Scholarship**— provides \$1,000 scholarships to graduating senior from the County pursuing college education. In 2021, we were able to provide 3 separate scholarship—but we'd love to provide more in 2022!
- **Community Arts**— Art Murals, Save A Vet Art Classes, NEA Big Read, Dancing on Air, Inside Musician's Studio with Kenny Lattimore. and more are all community programs that are free for participation by Brunswick County. Your support keeps it that way.
- **General operating support** allows us to match to the grants we receive from NC Arts Council and other projects each year, from Grassroots Grants, to Individual Artist Grants as well supporting ongoing events such as the Annual Art Show, Winterfest and the Solstice Festival.

Our goal is to raise money to help with these programs. As we forge ahead together on this transformative path, we hope that you will consider the Arts Council in your year-end giving plan.

We thank you once again for your confidence in our mission and accomplishments. Your continued support makes our work possible. We wish you and your family a happy, healthy, and artful holiday season!

Sincerely,

Dana King  
President

Mary Beth Livers
