A) Purpose:

The purpose of the Scholarship Program is to assist deserving students seeking to begin higher education and/or vocational studies beyond secondary education. The program will seek Brunswick County Schools', non traditional Homeschool, and Charter School student applicants from various social, cultural, and ethnic backgrounds, who are interested in educational opportunities for scholarships that will empower those recipients to become informed and educated contributors to society. Students should demonstrate an interest in the Fine Arts through fine art courses taken, outside interests, etc. However, they do not have to indicate an interest in majoring in the arts or actually working in the arts, just a continued interest in the arts.

B) Funding:

The Scholarship Committee will select finalists from which to determine the recipient(s) of the \$1,500.00 scholarships. This year 2 or more finalists will be selected for scholarship funding.

C) Scholarship Committee Obligations:

The Committee will distribute scholarship instructions and applications to all Brunswick County High Schools as well as make available materials online. No fewer than two committee members will come from the Board of the Brunswick Arts Council. All committee members (up to 5 in total) will review the scholarship application materials of applicants.
